To the Class of 1960:

Your class is comparatively small and will probably be the smallest class to have graduated from Liberty in recent years. Perhaps this will tend to make the members of the class closer to each other. We hope that this will make for pleasant memories of your high school days.

As you commence life after high school graduation, let us suggest that you try always to continue your education--intellectually, physically, and spiritually.

We wish each of you good fortune, a full life and hope that the world will be a better place because you have lived.

Sincerely,

Harlan A. Siegesmund, Principal
